Food Drug Lodging Surveyor - Lane County (to directly link to this job posting, copy this link)

County Lane

Req. No: 190203

Agency: Kansas Dept of Agriculture

Posting Type: External

Applications accepted through:

Job Description:

This position will remain posted until filled. This position is located in Lane County or any county connected to Lane County.

Job Summary:

- Collects evidence and submits evidence from inspections for administrative review, sometimes resulting in progressive compliance action as provided for by law against regulated facilities found to be in noncompliance. This is necessary in order to abate threats to the public's health and safety by determining severity and consequences of noncompliance. Establishes time periods for correction of violations in regulated facilities by determining consequences to public safety and health of allowing conditions to exist until improved.
